# Presidents Report

Ú | ^ • ã ðeprt2018/19

It is with great pleasure that I present the annual report on the activities held in the region for the 2018/19 season. It has been a busy season with the continuation of implementing initiatives of past years. The members of the Management Committee have been working with members of various Subcommittees and a whole range of technical, professional and voluntary providers to implement the programs for the 2018/19 season. We are now planning for the upcoming season to continue to take the region forward.

## **Development**

This season, DDRSA continued to join with Swimming Queensland to take part in the funding to access Barry Prime (SQ Development Coach) and Jade Edmonstone. This continues to be a major investment by the DDRSA for the development of clubs and coaches throughout the region at grass roots level.

The last weekend of October is traditionally set aside for the DDRSA development weekend each year. The weekend commenced with JX Clinic at Fairholme on the 27th October. The Sunday following the Country Championships is also traditionally set aside for a development clinic. This year, Goondiwindi was the venue for the clinic on Sunday 20th January.

### **2018 JX Clinic Toowoomba**

The 2018 JX Clinic was, as always, very successful with coaches assisting Barry Prime to facilitate an extremely beneficial swimming clinic and a skills session. Thank you to Troy Chandler, Garry Shorter and Brian Shorter for organising pool sessions and developing new coaches in the process.

### **2019 Development Clinic at Goondiwindi**

After a successful Country Championships held on the 19th January, Goondiwindi was the venue for the development clinic held on Sunday 20th January. This clinic was open to all swimmers in our region and saw swimmers from most clubs take part. From all reports, the swimmers who attended the clinic, enjoyed the morning session provided by Gail Smail, Garry Shorter and Brian Shorter with several country club coaches assisting.

The DDRSA acknowledges the ongoing support received over many years from Gail Smail, Garry Shorter and Brian Shorter. For without their time and expertise freely given, the DDRSA could not hold our annual Development Clinic activities. The DDRSA cannot express their thanks enough to Fairholme College and Goondiwindi pool and the host clubs for their support of these clinics.

to the swimmers and coaches who participated with clinics and workshops.

This year, we also ran a Technical Officials clinic for interested parents which was very well attended. Thank you to Shannon Armbruster for organising and running this information session with the help of Bob Wharton.

## **Regional Events**

### **2018 McDonalds Winter Short Course**

The first DDRSA meet for the season was the Winter Short Course. The Association would like to thank Fairholme College and Fairholme Swim Club for the support in enabling the DDRSA to host the Winter Short Course on the 4th August 2018. The DDRSA Short Course Champions are selected from this meet.

### **2018 Toowoomba Open**

The Toowoomba Open has again been used for the selection of Toowoomba Champions. Along with the Regional Championships, it was held in Toowoomba. With the support of all the Toowoomba Clubs and Milne Bay Aquatic Centre, these meets ran efficiently.

### **2019 Country Championships**

The Country Championships, which was hosted by the Goondiwindi Swimming Club, was facilitated at an excellent standard and well supported. This meet was again the biggest on the Downs this season number-wise. The Country Awards are selected from this meet. It was very pleasing to see the number of coaches and country technical officials who supported this meet.

## 2019 McDonalds Regional Long Course

The Regional Championships was held in Toowoomba with the support of all the Toowoomba Clubs and the Milne Bay Aquatic Centre. The DDRSA would like to express our sincere thanks to Kevin Martin (SQ Board Director) for his time spent talking to officials and coaches on the day, and Theresa Goddard for her work assisting the Championships and support of officials.

### Presentation Night

The Presentation Night was held at the Highfields Cultural Centre on the 16th March 2019. This year was a great success with second largest number ever of 305 members attending with swimmers, parents, coaches, officials and volunteers coming together to celebrate the successes of the season. Our guest speaker, Zac Stubblety-Cook (2018 Commonwealth Games Australian Swim Team member and Silver Medallist at Pan Pacific Championships in Japan), spoke about his life as a swimmer and overcoming disappointments. Zac answered many questions from our own swimmers and interacted with both swimmers and parents afterwards.

### Regional Teams

#### Patron Shield

The Patron Shield was hosted by Gold Coast Swimming on 23rd September 2018 with teams from Darling Downs, Wide Bay, Brisbane and Gold Coast attending. The region was represented by 42 swimmers on the day. Thank you to all the teams for an enjoyable day and congratulations to Brisbane as winners for this year.

#### State Relay

swimmers for their great results in all age groups. DDRSA would like to thank the Team Managers, Shannon Armbruster, Lisa Ford and Michael Crook, Development Coach-Brian Shorter and other coaches, Troy Chandler, Gail Smail and Gary Shorter for the selection and organisation of the relay teams.

### Congratulations

This season, Troy Chandler was awarded the Swimming Queensland Award of Excellence for his outstanding service to swimming in Queensland on the weekend of our Regional Championships.

### The Future

Our Association must be proactive in providing opportunities for all swimmers and their coaches throughout this vast region. However, what happens at club level is the most important thing for the swimmers. The future is full of opportunities with the continued development of technology on how clubs are run. The interaction between the club and the coaches is continuing to evolve, so the association must embrace these changes and work with the stakeholders. This is the goal of the DDRSA Management Committee when planning for the 2019-20 season.

activities run by the DDRSA would come at a higher cost to the region without their generous ongoing support.

### Thank You

A thank you must go to Swimming Queensland CEO Keven Hasemann and the Swimming Queensland staff, along with DDRSA members who are working continuously to help in the development of swimming across the region.

Many thanks to Michael Crook for his ongoing work in gaining grants for our region . Nexus and Federal Government grants.

I would also like to thank the Management Committee of David White, Michael Crook, Shannon Armbruster and Troy Chandler who have worked hard for another successful season.

Thank you to Brian Shorter, the DDRSA Development Coach, who worked with Barry Prime to ensure that our region had an ongoing swimmer development program. Thank you to Garry Gibson and Shannon Armbruster, Chairpersons of the Technical Subcommittee, and all the technical officials who have volunteered their time to the swimming community. For without volunteers, whether it is timekeeping, marshalling, check-starting or as a Technical Official, any swim meet would not start without them.

Thankyou.

**Statement of Income & Expenses**

Is a financial statement that indicates how the revenue (money received from the sale of products and services before expenses are taken out.) is transformed into the net income (the result after all revenues and expenses have been accounted for). The purpose of the income statement is to show whether the company made or lost money during the period being reported.

The important thing to remember about an income statement is that it represents a period of time. This contrasts with the balance sheet, which represents a single moment in time.

**Balance sheet**

A balance sheet is a summary of an organization's balances. Assets, liabilities and equity are listed as of a specific date, such as the end of its financial year. A balance sheet is often described as a snapshot of an Associations financial condition at a single point in time. In the DDRSA case 31<sup>st</sup> March of each financial year. Items such as touchpads have been recorded as an asset to the association. They are considered an asset in part due to their large value, they have a life expectancy (or useful life to the association) of beyond a year, and they are used in part to generate revenue.
