The DDRSA has allocated dates and approved the above dates for club swim meets.

It is important to reiterate that the above proposed dates are subject to restrictions being favourable to allow them to proceed. SQ has up to date information on their website with what is required to host a meet.

NOTES –

- Due to the lack of Technical Officials the DDRSA will not approve more than one Qualifying meet per club (Due to historical reasons exemption will apply for the Gatton Club)
- Development meets are highlighted - These meets will be designed around the development of swimmers to take the next step from club
- All Transition and Preparation meets will be required to use marshalling sheets and Self Marshalling is to be used.
- All Transition and Preparation meets will be required to provide a timeline which will have to be provided to the DDRSA the Monday before the meet as well as a competitor entry check list to be emailed to all competing clubs/competitors.

	MEET TYPES:	
DEVELOPMENT MEET	<i>Development Meets are run by a region or club and don't require you to have achieved a qualifying time in order to enter. These meets generally run no longer than 3 hours and follow a recommended events program prepared by Swimming Queensland. Times achieved at these meets may be used to qualify for Preparation Meets and Regional Championships.</i>	
TRANSITION MEET	<i>Similar to Development Meets, Transition Meets are run by a region or club and don't require you to have achieved a qualifying time in order to enter. These meets generally run no longer than 4 hours and follow a recommended events program prepared by Swimming Queensland. Times achieved at Transition Meets can be used for all other meets, including Regional, State and National Championships.</i>	
PREPARATION MEET	<i>Preparation Meets are also run by a region or club and are considered the next step on the pathway from Transition or Development meets. Some Preparation Meets may have qualifying times and Rule Tolerances are not applied at these meets. These meets may run over one or two days and follow a recommended events program prepared by Swimming Queensland. Times achieved at Preparation Meets can be used for all other meets, including Regional, State and National Championships.</i>
