The majority of this trip is funded by grants and DDRSA development budget – there is a minimal cost to parents, which will be outlined in the letter for swimmers who accept their position in the team. This is an overnight trip with great activities planned for swimmers.

To accept or decline your position in the team, please email ddrsasecretary@gmail.com by Friday, 29th of October with swimmer name and contact details (phone number and email). We will then have a zoom meeting for parents and swimmers to discuss the final details.

Thank you all for your support!
