The majority of this trip is funded by grants and DDRSA development budget – there is a minimal cost to parents, which will be outlined in the letter for swimmers who accept their position in the team. This is an overnight trip with great activities planned for swimmers.

To accept or decline your position in the team, please email ddrsasecretary@gmail.com by Monday, 14th of November with swimmer name and contact details (phone number and email). I also need individual swimmer's shirt size for the shirt order. We will then have a zoom meeting for parents and swimmers to discuss the final details once all acceptances are in.

Thank you all for your support!
