Involvement in Officiating

The DDRSA is excited to be developing a new program for the Technical Officials in 2026. The information for clubs will be released to club contacts shortly. Our online officiating modules make it easier for you to get accredited and work on pool deck. Parents and past swimmers may wonder how they can contribute to our sport of swimming. This can be achieved by you becoming involved as a Technical Official and now with online officiating modules it easier for you to get accredited and work on pool deck.
