The Multi Distance Meet

Saturday 24th October 2026

On behalf of the Gatton Swimming Club, we welcome swimmers, parents, friends, guests and officials to our annual Multi Distance Meet. Many of you have driven a long way, and we appreciate your effort. It is good to see the large number of swimmers that have nominated to the is meet this year. To all of the over 250 swimmers we hope you have a successful and enjoyable day.

This meet was primarily established to give swimmers a chance to make SQ State Championship times over a variety of distances using our electronic timing. Results will be placed on the meets page of our website https://gatton.swimmingclub.org.au/ and sent to Results Central.

We extend our thanks to all the people who worked behind the scenes, to the officials and all who help on the day. Thank you for your support.

Qualifying times must have been achieved at an approved qualifying meet (either short course or long course) on or after 1 January 2025. Converted short course qualifying times will only be used where an existing long course qualifying time has not been achieved. If there is no qualifying time stated for your age group, you cannot compete in the event/s concerned.
